Tradition Four:

“Each group should be autonomous except in matters affecting other groups or A.A. as a whole.”

Every group manages its affairs as it pleases, except when A.A. as a whole is threatened. Is such liberty dangerous? The group, like the individual, must eventually conform to principles that guarantee survival. Two storm signals— a group ought not do anything which would injure A.A. as a whole, nor affiliate itself with outside interests. An example: the “A.A. Center” that didn't work.

Featured Meetings of the Month!

STARLIGHT MEDITATION MEETING

TUESDAYS AT 5:30PM – 6:30PM ON [ZOOM](#)

Meeting ID: 749 420 421

This month marks the 6th year of the [Starlight Meditation Meeting](#), a meeting that like most, has evolve during this past year to remain alive and well and continue to serve as a resource for anyone wishing to strengthen and grow their sobriety.

[The Starlight Meditation meeting](#) began with a desire to incorporate a bit of meditation, stillness, and contemplation on readings from our A.A. literature, and in alignment with the the Step 11. Originally called the 11th Step Meditation Meeting, we created this meeting to also include an ambiance of serenity with candlelight, twinkling lights, and a rotating color spectrum light! When we were informed that there was already a meeting with a similar name, we changed the name through a group consciousness to the [Starlight Meditation Meeting](#). It was a perfect fit. This hour-long meeting begins with reading 'How It Works', followed by a selection from the 12 & 12 that refers to "meditation is our way out to the sun". A chairperson (not necessarily a homegroup member) will then choose a reading of their choice from 'As Bill See's It' and then we would spend 10 minutes in silent meditation, or contemplation on the reading. The chair will then re-read the selection and share their thoughts about it. After that, the meeting is open for sharing. Typically, this meeting, held in a smaller, upstairs conference room at St. Mary's Episcopal Church, has about 20 attendees. As time went on, we needed to bring in more chairs and have considered needing a bigger space, however much we love the intimacy and quiet of our smaller space and have been able to make it work. The beauty of doing the reading from ABSI before and again after the meditation, and then hearing the chairperson's share about the reading, is that it seems to bring such thoughtful shares after having the quiet reflection time.

What it was like...

St. Mary's Episcopal Church

When Covid –19 happened and the Pandemic became our new reality, we were able to quickly regroup to use the [Zoom](#) format, thanks to one of our member's subscriptions. We decided to limit the meditation time to 5 minutes because it felt a little awkward going longer in this format. Other than that, the meeting has maintained the same format and has continued to be a source of thoughtful and meaningful reflections on the many and varied readings in As Bill Sees It. It is always amazing to have some readings that have never been read before! Our attendance has remained robust with both the regulars and those who drop in from all over! Like many meetings on [Zoom](#), this has been a positive side effect of this pandemic. People from out of state or wherever are able to attend and that has been a delightful aspect of this challenging time. [The Starlight Meditation Meeting](#) has been coined as 'the sweetest little meeting in town' and it does seem to have a very special energy about it. Although we look forward to the days when we can meet again in person with our twinkly lights and intimate setting, we are so grateful that we have been able to thrive and offer this weekly reprieve, and a sweet hour of the language of the heart and the sunlight of the spirit!

Featured Meetings of the Month!

Downtown AM 7AM Everyday on GoToMeeting

The purpose of this meeting is to give AA members an opportunity to start their day with a rededication to sobriety and a spiritual way of life. This is not a meeting devoted so much to reliving the past as it is to developing an appropriate attitude for living this particular day successfully. Downtown AM is a closed meeting, which means only those who have a desire to stop drinking may attend. Homegroup members chair the meeting and choose a topic related to recovery through the AA steps and traditions from AA literature. We often read from the Daily Reflections.

Pre-Covid, Downtown AM used to meet in-person 6 days a week, Monday-Saturday, from 7AM-8AM. Our meeting room was in the basement of the First Christian Church on 11th & Oak. After the chair picked a topic, the meeting would split into two rooms so everyone had the opportunity to share.

Now Downtown AM meets online-only 7 days a week from 7AM-8AM. Since there are currently no limitations renting the church space, group conscious voted to include Sundays on our online meeting schedule. DTAM meets on GoToMeeting with audio-only. Turning off cameras and using a less popular online conference platform was an idea made by our IT trusted servants in hopes to avoid system overloads or bandwidth issues. It has been a success! Attendees often mention how calling-in or logging-in as audio-only helps them listen closer with less distractions. DTAM Steering and Service Meetings still occur monthly and Group Inventories happen bi-annually. Our 7th Tradition has been successfully using the PO Box mail-in option. Most service positions have adjusted to meet our new online presence. Join us or reach out if you have questions about DTAM: friendsofdtam@gmail.com

OREGON AREA 58

[Area 58 Hospitals committee](#) is looking for new or gently used AA literature to give to the clients at the Oregon State Hospital at Junction City.

Currently we are unable to take meetings in and the clients there are asking for literature. Hospital policy is that they cannot share literature across wards so we are needing more literature than normal.

If you have anything you would like to donate, please email hospital-s@oregon-aa.org and we can arrange to pick up any items you have.

AA Grapevine

April's Featured Section in the AA Grapevine is "Fun in Sobriety." AA members share stories about diving into life, enjoying sobriety, and having some fun. Also included are powerful stories of hope by members during the current COVID-19 crisis.

AA HISTORY AROUND THE GLOBE

Submission by Mary C.

District 19 held their first 2021 Zoom event on Saturday and Sunday, February 6th and February 7th - AA History Around the Globe. There were presentations by eight fascinating speakers from all over the world. Last fall District 19 held a Zoom event on the History of AA in Oregon. It was so interesting and diverse that our committee decided to broaden the reach and the understanding of the evolution of Alcoholics Anonymous internationally.

One interesting share was about a seaman who sobered up at an AA meeting in Sydney in the mid-1940s and took the book to ports where ever he traveled. He eventually took it to Ireland and AA spread across Ireland (by other sources, as well), the U.K, Europe, the Southern Hemisphere and Asia. Even during WWII, many soldiers from North America brought their Big Books with them and held meetings with their own troop members or with those from other English-speaking countries.

Our speaker Simon, from Hong Kong, was discussing how they just celebrated their 50-year celebration of AA. AA started there while it was still an English Colony, but after it returned to being part of China in 1997, it wasn't as easy to get AA literature. Alcoholics from all over, delivered suitcases of new and used AA books – including our speaker from Ireland, Lila. With more than 50 years of sobriety, she recalled delivering Big Books there. Going to any lengths. Spreading the word to the alcoholic that still suffered!

Another interesting perspective was from Marcos from Brazil, who explained what it was like to try and hold an AA meeting under a dictatorship. Government officials watched for gatherings of people, thinking they were likely revolutionaries, so they had to be very cautious and careful - just to have an AA meeting. Once again, going to any lengths!

Continued submission by Mary C.

This workshop was so rewarding in so many ways. It took more than four months of planning, finalizing the speakers, and problem solving logistical issues. We also needed to find a Spanish language translator that would be available that weekend and an American Sign Language interpreter, which we did. She did an amazing job. We got our ASL contact through the organization, Portland Deaf Access Committee for Alcoholics Anonymous (pdacaa.org). They are an autonomous AA group, not affiliated with any intergroup or GSO.

One challenge was scheduling speaker time slots. Presentations were grouped into two sessions - one on Saturday from 6pm to 8pm, and the second on Sunday from 10am to noon, Pacific Time. It worked out very well using a site called - timeanddate.com/worldclock.

The event was fun and informative with an amazing group of presenters: Valorie R. from Bend, Oregon; Darren D., Sydney, Australia; Quankui M., Beijing, China; Simon M., Hong Kong, China; Francoise H., Paris, France; Lila R., Kerry, Ireland; Marcos P., Rio De Janeiro, Brazil; and Chrissy R. North Shore, O'ahu, Hawaii. Between the two-day sessions, we had about 300 attendees and have such gratitude for those who attended and participated.

We thank Oregon Area 58 for the use of their professional Zoom account and to Oregon IT Chair Mark N. for his invaluable assistance. Our District 19 Committee members; Angie, Eugene, Caitlin, Emilee, Sharon, Sandi, and Mary are in the planning stages for our next event. We are looking for committee members to help with Outreach to the LatinX and Spanish speaking communities across the U.S. and Mexico, and someone to help reach a larger deaf alcoholic population across North America. Please let us know if anyone has interest in being involved or has a contact who could help out.

Bookkeeper report: Things continue to go “perfectly”.

Old business

Office Issues (Carol, Volunteer Coordinator) –We need volunteers. Some are volunteering because it is required as a part of their recovery group. There are volunteers who are not a part of AA. Chaz reminded us that only AA members are allowed to volunteer in the office. Chaz reported on the previous office coordinator. All the passwords on the computers have been changed, and his key has been turned in. The question as to whether or not to allow him to come in as an AA member seeking information about meetings and literature. SC seemed to agree that he should be treated as any other AA member. Another issue: a group brought \$300 in cash as their 7th Tradition – what to do with that amount? SC Group Conscious is that any cash contribution \$50 or greater should be put in a safe deposit envelope and placed in the drop safe in Office Coordinator office with a note on the shift tally sheet for the bookkeeper and notify PM shift if needed. The water heater may need to be replaced in the not too distant future, and that expense is on EVI.

Literature – Chaz, Mary -Nancy has resigned as Literature Chair. The Vice-Chair appears too busy to take on the necessary tasks. It looks like we need a new Literature Chair and Vice-Chair. Mary has volunteered to pinch hit until we have a new Chair. Mary mentioned that we are very low on literature. We need to make a sizable literature order. Chaz will check with John about borrowing literature from H&I committee if needed. That literature will be replaced with the incoming order.

Summerfest – Discussion & Motion Draft – Reaffirm EVI co-sponsorship of Summerfest in cooperation with The Friends of Summerfest – Chaz wants to reaffirm our support of (co-sponsoring) Summerfest. Joe C (Chair) mentioned that Summerfest wants to have a good working relationship with EVI. He also mentioned that Summerfest will probably be in person

EVI Steering Committee minutes 4/5/2021

this year and will be at Valley River Inn. Summerfest has asked EVI to have a presentation of what EVI does. Committee Chairs will have input, perhaps be on a panel. Melody suggested that volunteer applications be available at Summerfest after the EVI presentation. Carol will take the lead in getting volunteers to staff a table.

Business Meeting agenda set.

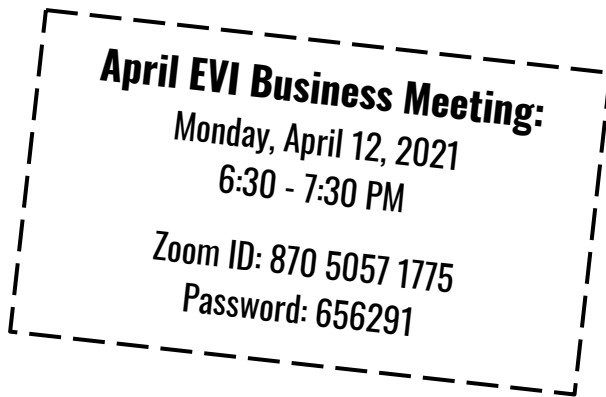

Announcements: Mary announced that she had both an AA and BB birthday this last month, and she is the speaker at the EVI speaker meeting.

Date of next meeting: May 3, 2021

Meeting Closure with Responsibility Statement at 7:17 pm

In loving service,

Sharon B.
