The Fifth Tradition

Each group has but one primary purpose
...to carry its message to the alcoholic
who still suffers.

No matter how different our own personal concerns, we are all bound together by one common **RESPONSIBILITY** ...
to carry the message
to the suffering alcoholic.

Every newcomer learns (some of us the hard way) that the business of staying sober must have top priority. If we fail at that, we can't succeed at anything else. The Fifth Tradition tells us that groups should remember *their* "one primary purpose."

Often, unthinking enthusiasm puts a group off the main track. One, for instance, offered an "expanded A.A. program" that included helping newcomers to find jobs. Tradition Five doesn't frown on the individual A.A. who tells another about a good opening. But when the group turns itself into an employment agency, newcomers may get confused about *their* primary purpose. A.A.'s function is to help them get sober—then they can find work for themselves.

Using discretion, a member may lend a few dollars needed for a meal or a hotel room, or may even invite a broke alcoholic to be a temporary houseguest. But the A.A. group as a whole is not a friendly finance company, nor a welfare department, nor a housing bureau.

Even when acting on their own, as individual members, A.A. lay people certainly shouldn't award themselves honorary medical degrees and hand out diagnoses and prescriptions and amateur analysis of other people's neuroses. Exactly because this personal failing is so common, the A.A. group in all its dealings should be extra careful to emphasize that it is not invading the medical field. Through the personal experiences of its members, it is qualified to carry only one message: how an alcoholic can recover in A.A. That's all.

Yet one group recently felt itself equipped to set up an "alcoholism information center." The temptation is understandable; it was even stronger at the time this Tradition was written, because public ignorance about alcoholism as an illness was more widespread than it is now. Since then, other agencies have sprung up to assume the task of educating the general public on alcoholism. That is not A.A.'s purpose, but these agencies also are trying to help the active alcoholic. They are our friends—and Tradition Six marks the boundaries of the relationship....

5th TRADITION'S INVENTORY <https://takethe12.org/t5/>

The 12 Traditions were created to help each A.A. group maintain unity and relate better to the world about us. With that in mind, they have been widely used in helping us learn how to be in better relationships with everyone in our life. Below is a snapshot inventory you can take to see how well you are honoring the spiritual principle found in this Tradition (in and out of the rooms of A.A.).

(The foundation of this inventory is from the A.A. Tradition's Checklist first published in the [A.A. Grapevine](#))

1. Do I ever cop out by saying, "I'm not a group, so this or that Tradition doesn't apply to me"?
2. Am I willing to explain firmly to a newcomer the limitations of AA help, even if he gets mad at me for not giving him a loan?
3. Have I today imposed on any AA member for a special favor or consideration simply because I am a fellow alcoholic?
4. Am I willing to twelfth-step the next newcomer without regard to who or what is in it for me?
5. Do I let fear get in my way by not addressing issues in my home group when members are disrupting meetings and getting in the way of our group carrying the message to the still suffering alcoholic?
6. Do I help my group in every way I can to fulfill our primary purpose?
7. Do I remember that AA old-timers, too, can be alcoholics who still suffer? Do I try both to help them and to learn from them?

“SHOEMAKER, stick to thy last!” ...better do one thing supremely well than many badly. That is the central theme of this Tradition. Around it our Society gathers in unity. The very life of our Fellowship requires the preservation of this principle.

I am responsible.
When anyone, anywhere,
reaches out for help, I want
the hand of AA always to be there.
And for that: **I am responsible.**

My friends asked me to go to the bar with them next weekend so I made a list of things I will need to prevent a relapse

1. New friends

Now we think you can take it! Here are the steps we took, which are suggested as ~~your~~ Program of Recovery:

1. Admitted we were powerless over alcohol -- that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care ~~and direction~~ ^{and direction} of God as we understood Him.

We are not saints. The point is, that we are willing to grow along spiritual lines. The principles we have set down are guides to progress. We claim spiritual progress rather than spiritual perfection.

The EVI office is also in need of our help so that it can continue to stay open seven days a week. Can you help?

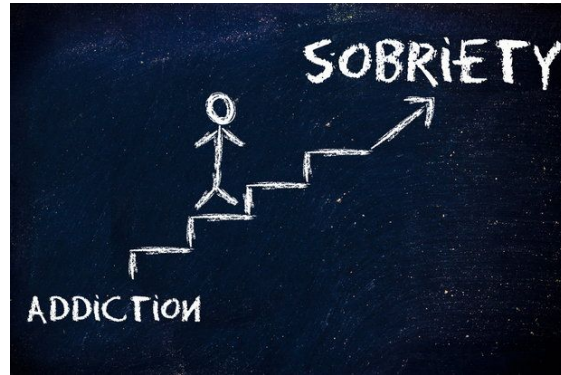

As Office Volunteer Coordinator/Bookkeeper Carol B writes, “We may not be very busy with walk in traffic or calls, but our front door is unlocked and available and the contacts we make are very rewarding.”

Volunteer Shift: 4 hours a week

Available Slots: Monday - Friday, either 9am-1pm or 1pm - 5pm, Saturday and Sunday, either 9am-12pm or 12pm-4pm

History of Pacific Northwest Conference

In February of 1948, Bill W. was in Seattle, WA, and spoke to a standing-room-only crowd of AA's and their families. Following the meeting, Bill and some other members from Seattle were driving to Vancouver B.C. when Bill elaborated on his plan for a conference.

The First Pacific Northwest Conference (PNC) convened in Vancouver, BC, Canada Area 79 in May of 1948. The oldest continuing conference in AA still provides an opportunity for AA's from all over the Pacific Northwest to gather together and share, learn, reach out and have fun. The conference typically includes speakers, panels, workshop, and please join us in any of our fellowship events.

Oregon Area 58 Assembly

Greetings Oregon Area 58!

It's hard to believe that we are one month away from our next assembly. The May 2023 Oregon Area Quarterly Assembly is being hosted by District 5 in Central Oregon at the Deschutes County Fairground May 19th-21st 2023. As a courtesy, please pre-register for the assembly regardless of if you will be attending in-person or online. This will help us plan based on how many people will be attending in-person vs. online. To register online, please use: <https://area58.wufoo.com/forms/mxyp0yf0kmw1jl/>

One of the main things at the May Assembly is the Post-Delegate Conference report which fully informs participants on what happened at the conference so this information can be brought back to the groups. These questions may include: What happened at the Conference? Are we retiring the pamphlet "A Member's Eye View of Alcoholics Anonymous? Will AAWS be implementing an Instagram account? Other notable things happening at our May Assembly is Area Service Committee presentations. We look forward to seeing each of you either in person or online. I have attached Agendas for both the in-person and virtual meetings.

If you have any questions, please feel free to contact me.

New Business: The Chair & Vice Chair of the CPC/PI Committee will switch position. The Chair was not present, so this was tabled and will be on May Agenda.
The Newsletter Committee will work on formatting a smaller Newsletter for printing hard copies. They would like to know what information members want to have included in that version.

COMMITTEE REPORTS: *Committee chairpersons and vice chairpersons, please submit your reports to the secretary before the meeting.*

Steering Committee: Set Agenda for 4/17/23 Busines Mtg. Discussed literature price increase from World Services, and the printing of hard copies of EVI Newsletter.

donation of a wire literature rack from The Saturday Morning Steps meeting. May's agenda will be deciding what projects to begin next whether it's assembling packets for groups to distribute or if we want to reach out to non-H and I affiliated locations that are in need of AA information.

Literature Kim Literature notes:
We have had a rush on Big Books and are currently out. I placed an order last week. The replacement BBs should be in in about 10 days.

The Big Book now comes in a jacket-less hardback as well as the hardback with a jacket. We will now carry both and see how the new one sells.

When the new Big Books come, we charge the new price which we paid, \$12.00, and not the old price of \$9.50. (Per the Steering Committee)

Carol and I are in the process of creating new price labels for the pamphlet and book shelves. Thank you, Carol, for your time, suggestions and computer skills!

Brenda, our Literature vice-chair, is a new grandmother! Congratulations on your beautiful boy, Devyn!

Outreach Merthi Contacted six groups recently. Need help with early morning groups.

Website Bruce W / Timi: There is still plenty to be done for the transition to the new domain, but both Bruce and I have had life "lifting at us" above and beyond our full-time jobs and our ability to fully address some of these tasks has been hampered. We are telling you this to help you understand why there may, at times, be a delay in response longer than previously experienced. We hope for understanding and any support at this time is appreciated. Bruce and Timi the Web Committee
